

TowerJazz Presents Record Revenues in 2011 with 20% Growth Year-over-Year

Signed MOU to Build 300mm Fab in India with Top Tier Infrastructure Company and Leading Technology Provider

MIGDAL HAEMEK, Israel – February 16, 2012 – TowerJazz, the global specialty foundry leader, today announced financial results for the fourth quarter and full year ended December 31, 2011.

Full Year and Fourth Quarter Highlights

- Record full year revenues at \$611 million, up 20% over revenues of 2010 and well ahead of the industry's growth;
- Further cements TowerJazz's position as the #1 specialty foundry by substantial increase in revenue and market lead, as compared to other specialty foundries;
- Record \$187 million EBITDA for 2011, reflecting 31% EBITDA margins;
- Maintained 33% and 23% non-GAAP gross and operating margins, respectively, for the fourth quarter of 2011;
- Reduced debt from \$482 million as of December 31, 2010 to \$350 million as of the end of 2011, through bonds redemption and bonds and bank debt payment, resulting in a 1.7X net debt/ EBITDA ratio;
- \$101 million in end of year cash with positive operating cash generation of \$108 million in 2011;
- \$175 million in year-end shareholders' equity versus \$118 million as of the end of 2010.

New Initiative

TowerJazz announces signing a binding MOU with a leading Indian infrastructure conglomerate, to build and operate a 300mm facility in India. This will enable the company a roadmap to long term 300mm wafer size, 90nm analog technology and companion chips in deep submicron technologies (65-45nm). The Company presented to empowered government committee as 3-way consortia with a leading Indian infrastructure conglomerate, TowerJazz and a worldwide leading technology provider. The Company believes that we are in the best position, as (1) the consortia is very strong and (2) TowerJazz has an impeccable reputation in India based on a previous successful government fab project win and execution. However, the Company cannot predict the outcome of government selection, and hence neither has nor can give assurance it will win this bid.

CEO and Chairman Perspective

Russell Ellwanger, Chief Executive Officer, commented: "From both strategic and business standpoints, 2011 was a very strong year in performance and a catalyst for the future. Fueled by a long term business relationship with a new customer, Micron Technologies, we were able to achieve 20% year over year growth, multiples above our peer group. In addition, we doubled our wafer capacity as compared to 2010, in a most cost effective manner. Driven by performance and an ability to provide capacity commitments, we have strong engagements with market leaders in all of our business segments. We are operationally preparing for a strong second half, having received such indications from lead customers."

Mr. Ellwanger added, "We have a most capable and impassioned worldwide employee base, who are excited with the opportunities in front of us, as we implement our 2012 mantra 'the pursuit of excellence'."

Mr. Amir Elstein, Chairman of the Board, in commenting on the corporate performance and the future, stated: "In only a few years, the Company has cemented a substantial lead as the specialty foundry market leader, with strategic tier one customers in high growth, high margin analog segments. The recently signed India MOU is a tremendous opportunity for TowerJazz to utilize its manufacturing knowhow and technical expertise to gain a low cost entrance into an emerging market at a 300mm wafer size level. Should this proposal not be accepted, we remain active in pursuing such models where we add benefit to our partners and customers through our expertise and execution and benefit to the shareholders through profitable upside growth."

Fourth quarter 2011 summary

Fourth quarter 2011 revenue was \$174.6 million, compared with \$135.1 million in revenues for the fourth quarter of 2010, growth of 29%, and compared to \$176.1 million in the prior quarter.

On a non-GAAP basis, as described and reconciled below, the fourth quarter 2011 gross profit and operating profit were \$58 million and \$40 million, respectively, compared with a gross profit and operating profit of \$57 million and \$39 million, as achieved in the prior quarter, respectively, maintaining 33% and 23% gross and operating margins, respectively.

Net profit on a non-GAAP basis was \$34 million and on a GAAP basis net loss was \$17 million, or \$0.05 per share, compared with a GAAP net profit of \$2 million, or \$0.01 per share, as achieved in the third quarter of 2011.

EBITDA for the fourth quarter of 2011 was \$40 million, positive for 6 consecutive years.

Full year summary

The Company's cash balance as of December 31, 2011 was \$101 million. During 2011, TowerJazz generated \$108 million positive cash from operations with \$30 million in the fourth quarter. During that year, the Company paid and redeemed debt, including convertible bonds series, straight bonds series and bank loans, in the total principal amount of approximately \$140 million, as well as invested approximately \$80 million (net of government grants) in Cap-Ex and fixed assets.

2011 revenues were a record \$611 million, an increase of 20 percent over revenues of \$509 million as reported for 2010 and more than double the \$299 million revenues as reported for 2009.

On a non-GAAP basis, 2011 gross profit was \$219 million, substantially higher than the \$92 million in 2009 and compared with a gross profit of \$225 million in 2010.

Non-GAAP operating profit was \$154 million compared with an operating profit of \$168 million in 2010 and \$41 million in 2009.

Net profit, on a non-GAAP basis was \$156 million, as compared to \$138 million in 2010 and \$17 million in 2009.

On a GAAP basis, net loss narrowed substantially to \$19 million, or \$0.06 per share, compared with a net loss of \$42 million, or \$0.18 per share in 2010, and \$120 million, or \$0.71 per share in 2009.

EBITDA for 2011 was \$187 million compared with \$168 million in 2010 and \$43 million in 2009.

Recently, the company received \$33 million government grants from the Israeli Investment Center, under its approval certificate for investments in cap-ex and fixed assets in Israel, and announced the receipt of an approval from the Japanese government to receive up to 33.3% grants over future investments in cap-ex and fixed assets to be done in its Nishiwaki fab in Japan.

Financial Guidance

TowerJazz forecasts first quarter 2012 revenue to range between \$165 and \$175 million, representing 40 percent year-over-year growth.

Conference Call and Web Cast Announcement

TowerJazz will host a conference call to discuss fourth quarter 2011 results today, February 16, 2012, at 10:00 a.m. Eastern Time (EST) / 5:00 p.m. Israel time.

To participate, please call:

1-888-668-9141 (U.S. toll-free number) or +972-3-918-0609 (international) and mention ID code: TOWERJAZZ

Callers in Israel are invited to call locally by dialing 03-918-0609. The conference call will also be web cast live at www.earnings.com and at www.towerjazz.com and will be available thereafter on both web sites for replay for a period 90 days, starting a few hours following the call.

As previously announced, beginning with the fourth quarter of 2007, the Company has been presenting its financial statements in accordance with U.S. GAAP.

This release, including the financial tables below, presents other financial information that may be considered "non-GAAP financial measures" under Regulation G and related reporting requirements promulgated by the Securities and Exchange Commission as they apply to our company. These non-GAAP financial measures exclude (1) depreciation and amortization, (2) compensation expenses in respect of options granted to directors, officers and employees, (3) financing expenses, net other than interest accrued, such that non-GAAP financial expenses, net include only interest accrued during the reported period, and (4) income tax expense, such that non-GAAP income tax expense include only taxes paid during the reported period. Non-GAAP financial measures should be evaluated in conjunction with, and are not a substitute for, GAAP financial measures. The tables also present the GAAP financial measures, which are most comparable to the non-GAAP financial measures as well as reconciliation between the non-GAAP financial measures and the most comparable GAAP financial measures.

As applied in this release, the term Earnings Before Interest Tax Depreciation and Amortization (EBITDA) consists of loss, according to U.S. GAAP, excluding interest and financing expenses (net), tax, depreciation and amortization and stock based compensation expenses. EBITDA is not a required GAAP financial measure and may not be comparable to a similarly titled measure employed by other companies.

EBITDA and the non-GAAP financial information presented herein should not be considered in isolation or as a substitute for operating income, net income or loss, cash flows provided by operating, investing and financing activities, per share data or other income or cash flow statement data prepared in accordance with GAAP and is not necessarily consistent with the non-GAAP data presented in previous filings.

About TowerJazz

Tower Semiconductor Ltd. (NASDAQ: TSEM, TASE: TSEM), its fully owned U.S. subsidiary Jazz Semiconductor Ltd., and its fully owned Japanese subsidiary TowerJazz Japan, Ltd., operate collectively under the brand name TowerJazz, the global specialty foundry leader. TowerJazz manufactures integrated circuits with geometries ranging from 1.0 to 0.13-micron, offering a broad range of customizable process technologies including: SiGe, BiCMOS, Mixed-Signal and RFCMOS, CMOS Image Sensor, Power Management (BCD), and Non-Volatile Memory (NVM) as well as CMOS and MEMS capabilities. TowerJazz also offers a world-class design enablement platform that complements its sophisticated technology and enables a quick and accurate design cycle. In addition, TowerJazz provides (TOPS) Technology Optimization Process Services to IDMs as well as fabless companies that need to expand capacity, or progress from an R&D line to a production line. To provide multi-fab sourcing, TowerJazz maintains two manufacturing facilities in Israel, one in the U.S., and one in Japan with additional capacity available in China through manufacturing partnerships.
